DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross and Blue Shield ("Anthem")! This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

The Maximum Allowed Amount will always be the lesser of the maximum amount of reimbursement established by Anthem or the Provider's billed charges.

Pretreatment Estimate - A request by a Member or Dentist to Anthem in advance of a Dental Service being provided to determine the Member's benefits, estimate the Maximum Allowed Amount, and estimate the amount of the Member's financial liability. A Pretreatment Estimate is not a guaranty of benefits or a guaranty of payment of benefits.

ELIGIBILITY AND ENROLLMENT

Who is eligible for coverage

You

You are eligible for coverage after you satisfy your employer's eligibility requirements. Eligibility requirements are available from your Group administrator. Your employer will inform you of your Effective Date in accordance with these eligibility requirements.

Your Eligible Dependents

Eligible Dependents include:

- Your spouse. For information on spousal eligibility, please contact your group administrator;
- Your children age 26 or younger which includes:
 - a newborn, natural child, or a child placed with you for adoption;
 - a stepchild; or
 - any other child for whom you have legal guardianship or court-ordered custody.

The age limit for enrolling a child is age 26. Coverage for children will end on the last day of the month in which the children reach age 26. The age limit does not apply for the initial enrollment or maintaining enrollment of an unmarried child who cannot support himself or herself because of incapacity physical handicap or intellectual disability that began prior to the child reaching the age limit. Coverage may be obtained for the child who is beyond the age limit at the initial enrollment if you provide proof of handicap and dependence at the time of enrollment.

You may be asked to provide a physician's certification of the Dependent's condition.

When You May Enroll

You may enroll:

- **During the initial enrollment period**
If your employer has purchased a new group policy from Anthem and you were enrolled under a previous group policy of that employer on the date before this group policy is effective, your Effective Date will be the date the health plan begins. Your Group administrator can tell you what this date is.
- **Within 31 days after becoming eligible**
Your effective date will be determined by your employer in accordance with its eligibility requirements.
- **During annual open enrollment periods**
Your employer will tell you the effective date if you enroll during your company's annual Open Enrollment Period.
- **During a special enrollment period**
You may have chosen to decline coverage for yourself and/or Dependents under this dental Plan when you could have enrolled for it because of coverage under another dental Plan.

If you declined coverage under this dental Plan in writing for yourself and/or your eligible Dependents and later you or your Dependent(s) loses the other coverage, you may enroll in any benefit package under the Plan during a special enrollment period. For example, a special enrollment period of 31 days will be allowed if:

- the other health plan coverage was under a COBRA continuation and the continuation period ran out;

- the employer who had been making contributions toward the other plan coverage stopped making them; or
- there was a loss of eligibility under the other plan coverage. Eligibility may have been lost due to:
 - divorce;
 - the death of your spouse;
 - a reduction in the number of hours of employment;
 - termination of employment for yourself or your spouse at another company; or
 - for a Dependent, cessation of Dependent status.

A special enrollment period of 60 days will be allowed under two additional circumstances:

- if your or your eligible Dependent's coverage under Medicaid or the Children's Health Insurance Program (SCHIP) is terminated as a result of loss of eligibility; or
- if you or your eligible Dependent become eligible for premium assistance under a state Medicaid or SCHIP plan.

Under these two circumstances, the special enrollment period must be requested within 60 days of the loss of Medicaid/SCHIP or of the eligibility determination.

If Your Family Changes

Special enrollment periods are also allowed if your family changes. The change may be due to your marriage, the birth of a child, or the placement of a child with you for adoption. Within 31 days after the change occurs, you will need to complete an application to add Dependents or a change form to delete Dependents. In all cases, contact your Group administrator immediately.

Marriage

The effective date of coverage for those added as a result of marriage will be determined by your employer in accordance with its eligibility requirements.

Newborn children

"Newborn child" means:

- a child who is born to you; or
- a child who is adopted by you or placed with you for adoption within 31 days after his or her birth.

A newborn child is covered from the moment of birth if, before the newborn child's birth, adoption or placement:

- you already have your Dependents covered and adding the newborn child to your coverage would not result in an increase in your Premium. You should submit an application within 31 days to notify us of your new Dependent.
- you already have at least one Dependent covered, but adding the newborn child would result in an increase in your Premium. You must submit an application to add the newborn child to your coverage within 31 days and you must pay the appropriate Premium. If you do not do this, the child's coverage will end after 31 days.

If you have employee-only coverage before the birth, adoption, or placement of the newborn child, you must enroll the child within 31 days. If you do, the child will be covered from his or her date of birth. If you do not enroll the newborn child within 31 days, you will not be able to add him or her until your next annual Open Enrollment Period.

Other Adopted Children

Other than a newborn child (as defined above), a child who is adopted by you or placed with you for adoption is covered from the date of adoption or placement if:

- before the adoption or placement, you already have your Dependents covered and adding the child would not result in an increase in your Premium. You should submit an application within 31 days to notify us of your new Dependent.
- adding the child would result in an increase in your Premium. You must submit an application to add the child to your coverage within 31 days after the adoption or placement for adoption. If you do not do this, the child's coverage will end after 31 days, and you will not be able to add him or her until your next annual Open Enrollment Period.

When a Dependent is no longer eligible for coverage, you can change your type of coverage by completing a change form to drop the Dependent. The Effective Date of your coverage change will be determined by your employer in accordance with its eligibility requirements.

Our Service Area

Our service area is all of Virginia except for the City of Fairfax, the Town of Vienna, and the area east of State Route 123.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) On the date determined by your employer in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Subscriber and Dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Divorce, marriage or civil union dissolution, or legal separation	Former spouse and any Dependent children who lose coverage	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Death of Subscriber	Surviving spouse and Dependent children	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.

Dependents lose eligibility due to Subscriber's entitlement to Medicare	Spouse and Dependents	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Subscriber's total disability	Subscriber and Dependents	Earliest of: 1. 29 months, or 2. Date total disability ends, or 3. Enrollment date in other group coverage or Medicare.

Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving spouse and Dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet Our definition of a Covered Service. For Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Schedule of Maximum Allowable Charges. For Non-Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Table of Allowances.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, We will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the Dental Procedure. Applying these rules may affect Our determination of the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, Our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum Allowed Amount is based upon the lesser of the Dentist's actual charges or the Schedule of Maximum Allowable Charges. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call Our Customer Service Department at (866) 956-8607 for help in finding a Participating Dentist or visit Our website at www.anthem.com.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating Dentist fee schedule, referred to as the Table of Allowances, which We have established in Our discretion, and which We reserve the right to modify from time to time after considering one or more of the following: reimbursement amounts accepted by similar providers contracted with Us, and other industry cost, reimbursement and utilization data. The Table of Allowances may be different from the Maximum Allowed Amount reimbursed to Participating Dentists.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at (866) 956-8607 for help in finding a Participating Dentist or visit Our website at www.anthem.com.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

THE MEMBER IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY A NON-PARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NON-PARTICIPATING DENTIST, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE MEMBER UNLESS YOU ASSIGN THE PAYMENT DIRECTLY TO THE PROVIDER OF THE DENTAL SERVICE BY INDICATING SO ON THE CLAIM FORM.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 12 months of receiving the Covered Services, and must have the data We need to determine benefits. Failure to give Us notice within 12 months will not reduce any benefit if you show that the notice was given as soon as reasonably possible. No notice can be submitted later than one year after the usual 12 month filing period ends. If the notice submitted does not include sufficient data We need to process the claim, then the necessary data must be submitted to Us within the time frames specified in this provision or no benefits will be payable except as otherwise required by law.

Any benefits due under this Certificate shall be due once We have received proper, written proof of loss, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of loss, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claims should be submitted to:

Anthem Blue Cross and Blue Shield
PO Box 1115
Minneapolis, MN 55440-1115
(866) 956-8607

Proof of Claim

Written proof of claim satisfactory to Us must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, either send a written request for claim forms to Us or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. If you do not receive the forms, written notice of services rendered may be submitted to Us without the claim form. The same information that would be given on the claim form must be included in the written notice of claim. This includes:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Member's Cooperation

Each Member shall complete and submit to the Plan such authorizations, consents, releases, assignments and other documents as may be requested by the Plan in order to obtain or assure reimbursement under Medicare, Worker's Compensation or any other governmental program. Any Member who fails to cooperate will be responsible for any charge for services.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Pretreatment Estimate (Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETICS OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, periodontics, prosthetics or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is a Dental Procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist which are dentally necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist and are dentally necessary for you, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. Determination of services necessary to meet your individual dental needs is between you and your Dentist.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

When treatment begins, the dentist should submit the Estimate of Benefit form with the date of placement and his/her signature. After benefit and eligibility verification by the Plan, a benefit payment will be issued. A new/revised Estimate of Benefits form will also be issued to you and your dentist. This again will serve as the claim form to be submitted 6 months from the date of appliance placement.

Employer Premiums

Your employer is responsible for paying a monthly Premium by the first day of the month for which coverage is purchased. We will allow employers a 31 day grace period to pay monthly premiums, except for the first month's Premium. During this grace period, coverage will continue unless We receive a written notice of termination from your employer. We will notify your employer at least 15 days prior to terminating the Group Contract for non-payment of a monthly Premium. Anthem is not responsible for costs you incur during any period (other than the grace period discussed above) when your employer fails to pay full Premiums.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other Anthem plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group Anthem, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

Anthem will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when Anthem is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When Anthem determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed Anthem *maximum allowed amount* for *covered services*.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the primary coverage and any standalone dental plan will be secondary.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed above. The gender rule states that the father's contract will be primary for the children.
8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, Anthem may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, Anthem will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is

not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Physical Examination and Autopsy

We shall have the right to: (1) examine any Member for whom a claim is made when and as often as may be reasonably required during the pendency of a claim; and (2) perform an autopsy on any Member where it is not otherwise prohibited by law.

Legal Action

You may not take legal action against Us to receive benefits:

- Earlier than 60 days after We receive the claim; or
- Later than three years after the date the claim is required to be furnished to Us or the date of service.

You must exhaust the Plan's Claim and Appeal Procedures before filing a lawsuit or other legal action of any kind against Us.

Punitive Damages

In the event that you or your representative sue Us or any of Our directors, officers or employees acting in his or her capacity as a director, officer or employee for a determination of what coverage, if any, exists under this Certificate, your damages will be limited to the amount of your claim for benefits.

The damages may not exceed the amount of any claim not properly paid as of the date the lawsuit is filed. This Certificate does not provide coverage for punitive damages, or damages for emotional distress or mental anguish. However, this provision is not intended, and will not be construed, to affect in any manner, any recovery by you or your representative of any non contractual damages to which you or your representative may otherwise be entitled.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this Certificate is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

The Plan, or anyone acting on Our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, We, or anyone acting on Our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of

whether the services, care, treatment, or supplies are covered. However, a Member may utilize all applicable Claim and Appeals Procedures.

The Plan, or anyone acting on Our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the Certificate. This includes, without limitation, the power to construe the Group Dental Contract, to determine all questions arising under the Certificate, to resolve Member Claims and Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this Certificate. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the Group Dental Contract, the Certificate, Provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Acknowledgement of Understanding

By accepting this Certificate, you expressly acknowledge your understanding that this Certificate constitutes a benefit plan provided by Anthem, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans. The license permits Anthem to use the Blue Cross and Blue Shield services marks in the State of Virginia, excluding the city of Fairfax, the town of Vienna and the area east of State Route 123. Anthem is not contracting as the agent of the Blue Cross and Blue Shield Association. You also acknowledge that you have not accepted this Certificate based upon representations by any person other than Anthem, and that no person, entity or organization other than Anthem will be held accountable or liable to you for any of Anthem's obligations created under this Certificate. These acknowledgements in no way create any additional obligations whatsoever on the part of Anthem other than those set forth in this Certificate.

CLAIM AND APPEAL PROCEDURES

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond Our control. In that case, We will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which We expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information We need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that We deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross and Blue Shield
Attention: Appeals Unit
PO Box 1122
Minneapolis MN 55440-1122

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, We will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, We will identify any dental professional whose advice was obtained on Our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, We continue to deny the claim, you will be notified in writing.

To the extent your plan is covered by ERISA, after you have exhausted all appeals, you may file a civil action under section 502(a) of ERISA.

Authorized Representative

You may authorize another person to represent you and with whom you want Us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in Our Authorized Representative form. This form is available at Our web site or by calling Customer Service Department (866) 956-8607. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)

Plan Administration

The Plan Administrator, who is listed on the inside front cover of this brochure, is a named fiduciary under the Program and shall be responsible for the management and control of this Program.

The Plan Administrator is responsible for determining the level of benefits for the Program as described in this brochure. The Plan Administrator reserves the power at any and from time to time (and retroactively, if necessary or appropriate to meet the requirements of the code or ERISA) to modify or amend, in whole or in part, any or all provisions of the Plan, provided, however, that no modification or amendment shall divest an employee of a right to those benefits to which he or she has become entitled under the Plan.

Funding Policy and Payment

The funding policy and method requires that the Group Subscriber submit payments on a monthly basis.

Procedure to Request Information

If you have any questions about this Program, contact the Plan Administrator who is listed in the inside front cover of this brochure.

Statement of ERISA Rights

As a participant in the Program, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

1. Examine without charge at the Plan Administrator's office and at other specified locations such as work sites and union halls, all Plan documents, including insurance contracts, and copies of all documents such as detailed annual reports and Plan descriptions filed by the Plan with the U.S. Department of Labor.
2. Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your Group, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your right, you may seek assistance from the U.S.

Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If it finds your claim is frivolous, you will be responsible for these costs and fees. If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W, Washington, D.C. 20210.
