Answer: Yes, below is the policy that refers to sick leave payout. Taxes are taken from this amount.

- Tier I

Full-time employees who have accumulated between 5 and 9 years of uninterrupted service to Lynchburg City Schools shall receive payment of \$25.00 per day for each day of accrued sick leave. The payment shall be for no more than 60 days. Part-time employees shall receive payment of \$12.50 per day for each day of accrued sick leave for no more than 60 days.

Question: Can I use my sick leave payment to purchase VRS years of service?

Answer: Using sick time to purchase service is an option but you are only able to purchase the amount that we would pay you for, which is up to 90 days (3 months of service). LCS would set up a cost letter in VRS so that you would have the information and also VRS will make you aware that that amount is taxed. If you choose to go this route the way it would work is instead of LCS paying you \$2,700 for your unused sick days we would in turn pay that money to VRS and that would give you up to 3 months in service credit.

Question: Will I be paid for my vacation days?

Answer: Yes, you will be paid your daily rate up to 36 days.

Question: Will I be paid for my personal days?

Answer: No.

Question: When will I be paid for my sick, or vacation days?

Answer: If your retirement date is July 1 and you are a 10, 10.5, 11 or 12 month employee, you will be paid no later than July 15th. If your retirement date is during the school year you will receive your sick leave pay after your final contract payout.
