## 2021-2022

### ACADEMIC RECOGNITION

Academic recognition will be given each 9 weeks to students by means of a "Scholars' List" and an "Honor Roll."

- Scholars' List- Earned All As
- Honor Roll- Earned a 'B' average with no grade lower than a 'C'

Report cards are distributed to students at the end of each 9 weeks to advise parents of student progress. It is the responsibility of the student to deliver the report card to the parents for the first 3 grade report periods. The final report for the year is mailed to parents.

### ACCEPTABLE USE POLICY FOR COMPUTERS

An acceptable use policy (AUP) is a written agreement signed by students, parents, and staff members which outlines the terms and conditions of technology use. It establishes acceptable use guidelines, rules of online behavior, and access privileges for all users. Users are identified as all Lynchburg City Schools' students and staff members, as well as other individuals who utilize the school division's technology. The AUP also covers penalties for violations of the policy, including security violations and vandalism of the system and/or equipment. Prior to using school division technology resources, each user is required to sign an AUP agreement and to know that it will be kept on file as a legal, binding document. **Students will not be allowed to use the computer until the AUP has been received.**

**Teacher Responsibilities:** Teachers will provide students with a sequential, structured approach to gaining the skills that will allow them to become independent, responsible users of technology. In all cases, teachers will make reasonable effort to ensure that students are directed to sites with age- and topic- appropriate materials and resources. All students and staff members will receive required instruction in Internet safety using the Lynchburg City Schools' approved curriculum. Teachers will model appropriate use of the Internet and will monitor and advise students in independent Internet use.

**Discipline:** Inappropriate use of the network, which includes the Internet, is a violation of school division discipline policies. Inappropriate use may result in termination of access and may result in disciplinary action, which may include suspension from school. Depending on the severity of the violation, criminal or civil liability is also possible.

### ACTIVITY BUS

The activity bus is only for students staying back for athletic events or who are involved with school sponsored club meetings. Coaches will have access to bus schedules on a weekly or daily basis and they will be on the morning announcements.

### **ANNOUNCEMENTS**

Announcements are read daily and sent via email to all faculty and staff. Written copies are posted in the Main Office, Counseling Office, Attendance Office, Media Center, and the Clinic. Daily announcements are posted on our school website at [www.lcsedu.net/schools/hhs](http://www.lcsedu.net/schools/hhs).

### **ARRIVAL TO SCHOOL**

Upon entering the building, no students should sit on the steps, lockers, railings, or in the hallways. **Students are not to remain in the parking lot or leave the grounds once they arrive at school.**

### **ASSEMBLIES**

Assemblies are conducted in the field house or auditorium. Students will receive directions from teachers concerning the nature of the assembly, where to sit, and any special instructions. **Students who do not exhibit positive audience behavior will receive school discipline.**

### **ATHLETICS**

No Heritage student-athlete who joins one athletic team may join another athletic team during the same season if that athlete either quits the original team or was dismissed from the original team. There is an appeals process for this policy. If a student and/or parent wants to appeal this policy in order for a student to be allowed to be an exception to this rule, the student/parent and/or coach of the second team may appeal to the committee (composed of the school principal and athletic director). This policy does not eliminate the existing policy which allows for a student-athlete to participate on two teams in the same season as long as the Athletic Department policy guidelines are followed.

### **ATTENDANCE PROCEDURES**

Students are expected to arrive at school and to all classes on time. All tardies decrease time from learning and have a negative personal and school impact. Lynchburg City School policy JED and JED-RZ provides the framework for attendance. Attendance is a major factor in our schools accreditation. It is imperative that students are in class all day, every day. All students between the age of five and until they become 18 are subject to compulsory school attendance. The complete Lynchburg City Schools Student Attendance Policy may be found in the LCS Policy Manual (JED) [LCS Attendance Policy](#).

#### **Tardy to School Policy**

All students are expected to be on time to school every day. If for some reason a student is late to school and or late to a first period class, they are expected to report to the attendance office to be marked tardy and receive a pass to class.

**(ATTENDANCE CONT.)**

**Excused tardies:** For tardiness to be considered excused, the student must turn in a note signed by a parent/guardian to the Attendance Clerk that details why the student was tardy . **Excused tardies include: personal illness, family emergency, doctor appointments, and court appointments.** All notes must be turned in by the following day. After 10 excused tardies, the only notes from a doctor or the court will be accepted.

**Unexcused tardies:** a tardy will remain unexcused if a student fails to turn in a note from a parent by the following day. If the reason on the note does not meet the criteria for an excused tardy it will remain unexcused.

Interventions for tardiness to school

1<sup>st</sup> Tardy: warning from the attendance clerk

2<sup>nd</sup> Tardy: warning from the attendance clerk

3<sup>rd</sup> Tardy: warning from the attendance clerk and a phone call home

4<sup>th</sup> Tardy: referral to school counselor or school social worker

5<sup>th</sup> Tardy: referral to the principal

**Tardy to Class (Including 1st/ 5th pd)**

Procedures:

1. At the beginning of each class, teachers record attendance in Infinite Campus.
2. Students who are in the building before 1st period but are tardy to class will receive a detention and a phone call home. Students arriving to school after the tardy bell, or who miss the entire 1<sup>st</sup> period, must report to the Attendance Office upon arrival.
3. Students will receive a detention and a phone call home for each unexcused tardy (up to 5) per the discipline matrix and an office referral for the 6th and subsequent tardies to class.
4. Students who arrive to class more than 5 minutes late will receive a disciplinary referral for skipping.

**Absences**

1. Students are not allowed to participate in any after-school or night activities if they have **a)** been suspended, **b)** been in AIA, **c)** not attended school that day, or **d)** did not complete at least half of their school day and will be counted as absent.
2. After 5 unexcused absences, the student and parent/guardian will be required to meet with the attendance coordinator to develop a plan to resolve the student's attendance.
3. After 7 unexcused absences, a referral is sent to the city truancy officer.

**(ATTENDANCE CONT.)**

**Early Dismissals**

Any student having permission to leave school early must leave the premises promptly at the time specified. Student drivers with an early dismissal may leave with a valid parking permit or administrative permission. Students must wait for an early dismissal pass to arrive to their class before being released. Students who arrive at the Attendance Office without an early dismissal pass will be subject to school discipline.

**Skipping**

Skipping school or class will result in disciplinary action, possible suspension, possible loss of parking privileges, and a parent conference.

**Discipline Procedures for Tardies To School and/or Early Dismissals:**

(Arrival after 1st pd.) With a combination of five tardies and/or early dismissals to school per semester, the following procedures will be used:

1. 5<sup>th</sup> tardy and/or early dismissal – warning referral
2. More than 5 tardies and/or early dismissals will result in 1 hour of Saturday School for each additional tardy and/or early dismissal over 5. Students who fail to serve Saturday School will receive an in school suspension.

**Truancy**

Students shall attend school on a regular and punctual basis unless otherwise excused in accordance with School Board policy or regulation. (See Policy P 7-15 Student Attendance) If a student who is under 18 years of age has 10 or more unexcused absences from school on consecutive school days, the principal may notify the juvenile and domestic relations court, which may take action to suspend the student's driver's license.

#### **ELEVATOR**

Elevator use is restricted to students who are injured or disabled. Any student requiring permission to use the elevator must present a letter to the nurse, in the clinic, from his/her doctor stating the nature of the injury and the length of time that the student will need to use the elevator.

### **FOOD AND DRINK**

Food or drink is allowed in the classroom at the discretion of the teacher. Glass bottles are not allowed in school because of the potential safety hazard. Paper and other trash must be placed in trash cans.

### **GRADE REPORTS**

All reporting is done by letter grade:

A	-	Excellent (90 – 100)
B	-	Above Average (80 – 89)
C	-	Average (70 – 79)
D	-	Below Average (60 – 69)
F	-	Failure (0 – 59)
I	-	Incomplete

The grade may be explained more completely by the use of “plus” and “minus” values after the letter. Semester grades will be obtained by averaging the numerical grades for the two nine-week periods and the semester examination. The exam grade currently accounts for 20% of the semester grade.

When an “I” is received indicating incomplete, it becomes the responsibility of the student to make contact with the teacher of the subject involved to arrange for make-up work. All work missed must be completed within two weeks after the end of a marking period. If work is not made up, the “I” may change to an “F.” The numerical equivalent the teacher records will depend upon the weight of the incomplete work.

#### **End of Quarter Dates:**

Students will receive report cards approximately eight days after the end of each nine weeks as noted:

End of 1 <sup>st</sup> nine weeks	-	October 7, 2021
End of 2 <sup>nd</sup> nine weeks	-	December 17, 2021
End of 3 <sup>rd</sup> nine weeks	-	March 10, 2022
End of 4 <sup>th</sup> nine weeks	-	May 27, 2022

### **Senior Exam Exemption**

The Lynchburg School Board has approved a Senior Exam Exemption. Seniors must have a semester grade that ranges between 90-100 percent and they cannot have more than five absences, excused or unexcused, in the class during the second semester in order to be exempt.

### **SOL EXAM EXEMPTION POLICY**

*Note: SOLs cannot be used for exam exemption purposes unless the student needs the SOL to meet diploma requirements.*

Students who pass their SOL for a given course will be exempt from their exam and assigned an exam grade based on the criteria below:

- A 90 will be assigned as an exam grade if the student passes the SOL for that class with a score between 400-499. This score, since it replaces the final exam, is weighted as 20% of the course grade.
- A 100 will be assigned as an exam grade if the student passes the SOL for that class with a score between 500-600. This score, since it replaces the final exam, is weighted as 20% of the course grade.
- For students in AP courses that also are SOL courses - If a student passes the SOL test, the student may choose to be exempt from the course exam and take the grade they make from the average of the four quarters, or they may choose to have their exam grade assigned based on the criteria listed under the first two bullet points.
- Students who successfully pass a state career-technical licensure test have the option of not completing the teacher-created exam and may choose to use the four quarter grades to compute their course grade.

Students who pass an SOL test do *not* need to report to school on exam day and their final grade for a year-long course will be determined by applying 20% weight to each of the four quarters and 20% for the final exam.

Semester course – The course grade for a semester course is computed by applying 40% weight to each of the two quarters and 20% to the exam.

### **GRADUATION**

Students who do not complete all graduation requirements cannot participate in any graduation exercises. Seniors who are unable to graduate will be notified prior to graduation by their school counselor. Seniors must pay all obligations prior to graduation ceremonies, or they

will not participate in the graduation ceremony. Seniors who receive college acceptance notices, awards and scholarships should notify their counselor prior to the end of the year Awards Ceremony.

**Class Rank and GPA** will be re-calculated at the end of the academic school year and will be used for awards and graduation recognition

#### **HALL PASSES**

Students will use the time between classes to go to the restroom and lockers. **Teachers have been instructed not to allow students to leave the classroom the first 15 minutes and the last 15 minutes of class.**

All work must be completed within 3 school days from return to school or as agreed upon with the teacher/principal. If a student is absent for three or more consecutive days excused, a parent may request assignments through the School Counseling Department. If a student is absent three or more days due to suspension, assignments may be requested through the appropriate grade level administrator or principal. The assignments should be available at the end of the school day following their request depending upon teacher availability. Assignments can be picked up in the School Counseling Department. Students have the opportunity and are

encouraged to complete make-up work regardless of the reason for the absence.

### **HONOR CODE**

Students are responsible for completing their own assignments and following the honor code: *"ON MY HONOR AS A STUDENT OF HERITAGE HIGH SCHOOL, I HAVE NEITHER GIVEN NOR RECEIVED ANY HELP ON THIS ASSIGNMENT."*

### **FACULTY HONOR COUNCIL**

**Purpose:** To establish parameters to deal with instances of violations of the Heritage High Honor Code, to review individual cases, and to make recommendations to the associate principal for disposition. All teachers will require students to sign an Honor Code on every assessment and individual assignment as chosen by the teacher.

#### **(FACULTY HONOR COUNCIL CONTINUED)**

**Membership:** The Faculty Honor Council will consist of faculty members appointed by the principal.

**Meeting:** The Faculty Honor Council will receive referrals from the faculty on possible violations of the Honor Code. The FHC will meet on the Monday following the date of the referral. The associate principal will be notified on that day of the recommendation of the council. The associate principal will then notify the parents and student of the final decision.

**Definition of Cheating:** A violation of the Honor Code is alleged in the following instances:

If the teacher directs students to work independently on homework or daily assignments, the student violates the Honor Code if he/she receives unauthorized help in such work.

If the teacher directs students to work independently on tests and quizzes, the student violates the Honor Code if he/she uses notes, talks, uses the internet, uses an electronic device, or receives any other unauthorized help during the test or assessment period. A student violates the Honor Code if he/she plagiarizes written work.

Plagiarism is defined as using someone else's words or ideas and not giving them credit. This could also mean to steal and pass off (the ideas or words of another) as one's own or to use (another's production) without crediting the source (definition based on plagiarism.com).

**Teacher Responsibility:** When a teacher has determined that a violation of the Honor Code has possibly occurred, the following steps will be taken:

1. The teacher is to verbally notify the student that a possible violation of the Honor Code has occurred. The teacher is to explain to the student why he/she feels that such a violation has occurred.
2. The teacher is to contact the parent/guardian of the student the same day if possible and certainly within 24 hours of the determination that a possible violation of the Honor Code has occurred.
3. If the student admits to the violation, and the parents agree, the student will sign a statement saying they are in agreement with the teacher. The student will also receive a 0 on the assignment and the student's name will be submitted to the Honor Council to go on record. Disciplinary action is at the teacher's discretion.
4. If a student or parent disagrees or disputes the violation, a referral to the Faculty Honor Council will be made by the teacher. The student and parents will be invited to a meeting where the details will be discussed.

**Faculty Honor Council Responsibility:**

To hear disputed violations.

To hear cases of repeat offenders.

The following are punitive actions that the FHC can recommend to the associate principal. Keep in mind that each case is considered individually and that the FHC determines the validity of each case:

Zero on the assignment

Referral to guidance

Removal from activities for a specified length of time

Saturday School

Referral to the National Honor Society

Referral to the athletic director, class, or activity sponsor

#### **MESSAGES TO STUDENTS DURING THE SCHOOL DAY**

We ask parents' cooperation in limiting interruptions of students, teachers, and other staff members. We will deliver emergency messages. Please be sure to inform the receptionist of the specifics. This policy helps our staff to avoid the hundreds of possible interruptions that would occur if we accommodated all requests. Please do not ask to receive messages or specific items during the school day. While each individual request has its own merits, the total of all requests would produce constant interruption of the workday.

#### **MINUTE OF SILENCE**

Teachers and students will observe a daily minute of silence in accordance with Virginia State law. During that one-minute period of silence, students are to remain seated and silent without making any distracting display to the end that each student may, in the exercise of his/her individual choice, meditate, pray, or engage in any other silent activity which does not interfere with, distract, or impede other students in the like exercise of individual choice (Virginia Code 22.1-203). Further, students may earn recognition by earning True Pioneer status in the categories of “Welcoming” and “Encouraging.” Students who qualify in those two categories are only eligible for recognition during the Pioneer Power Broadcast. Students who make Pioneer Power for two or more grading periods will be eligible for the True Pioneer Field Trip following the third grading period.

#### **PLEDGE OF ALLEGIANCE**

**(SB 1331, amendment to 22.1-202 of the code of Virginia):**

State regulations require that students stand and recite the Pledge of Allegiance while facing the flag with their right hands over their hearts or in an appropriate salute if in uniform. #### **SCHOOL COUNSELING PROGRAM**

The Lynchburg City School Board affirms that parents are the student’s first teachers and that the public schools should serve to strengthen family and parental support. No student will be required to participate in any counseling program to which the student’s parents object.

Definition: For the purpose of this policy, the following definitions apply:  
**Academic Guidance** - Guidance which assists students and their parents in an effort to acquire knowledge of the curriculum and to explain choices available to students, to plan a program of studies, to arrange and interpret academic testing, and to seek post-secondary academic opportunities.

**Career Guidance** - Guidance which helps students to acquire information and plan action about work, jobs, apprenticeships, and post-secondary educational and career opportunities.

**Personal/Social Counseling:** Counseling which assists students to develop an understanding of themselves, the rights and needs of others, how to resolve conflict and to define individual goals, reflecting their interests, abilities, and aptitudes. Such counseling may be provided either in groups in which generic issues of social development are addressed or through structured individual or small group multi-session counseling which focuses on the specific concerns of the participant(s). *Note: Above may be guidance activities.*

### **Implementation Procedures**

At least annually, parents shall be notified in writing about the academic and career guidance programs, and the personal/social counseling programs which are available to students within the school division. Parents will be advised concerning the purpose, general description of the programs, how parents may review materials to be used in the programs, and procedures by which parents may limit the students' participation in the program. Information and records of personal/social counseling shall be kept confidential and separate and not be disclosed to third parties without prior parental consent or as otherwise provided by law.

Each year at registration, parents may review the entire counseling program of Lynchburg City Schools, a copy of this policy, and the opportunity to opt their child out of personal/social counseling. Opt-out forms are available in the counseling office. Parents who do not sign and submit the opt-out request form will be presumed to have allowed their child to participate in the program. Parents who wish to change their permission for their child to participate in the program must notify the school division in writing.

Counselors and teachers may choose to inform parents, who opt their child out of personal/ social counseling, of small group individual counseling opportunities that may be available at their school and to seek written permission from such parents for their child to participate in specific activities or groups. These parents also may, on their own initiative by written request, reinstate their child into any specific activity or group. However, parental consent is not required for short duration personal/social counseling which is needed to maintain order, discipline, or a productive learning environment.

School Counseling services constitute an integral part of the educational program. The School Counseling Department is staffed by a School Counseling Director, three school counselors, a testing coordinator, registrar, scholarship coordinator, and a secretary who provide wide-ranging guidance and counseling services to students, parents, and school staff.

### **College Applications**

Colleges prefer that students apply online. If you do not apply online, write the Director of Admissions of the college(s) to secure an application and catalog. It is the student's responsibility to complete applications and mail them directly to the colleges. The transcript request form, which is completed by the student, must be completed using Parchment (electronic transcript request system) two weeks prior to the application deadline. Students will need to create a profile in order to submit a transcript request. Current juniors (Class of 2023) and current seniors (Class of 2022) will receive their registration codes through their LCS email; registration codes are needed in order to create your profiles. If you don't receive the email, please contact the School Counseling Office for a printed copy. The school is usually **not** notified of scholarships or college acceptance by the institutes offering the award or acceptance.

### **Senior Student Course Load Waiver**

According to School Board Policy [IC/ID-RZ](#), rising or current senior students who are on track to meet all graduation requirements by the end

of the senior year may apply for a waiver of the student course load requirements. The waiver would allow the student to be dismissed from school after the 4<sup>th</sup>, 5<sup>th</sup>, or 6<sup>th</sup> period during the senior year. Seniors who are eligible and who are approved for early dismissal must leave school property promptly at the early dismissal time unless under the direct supervision of a school staff member; the student may return at the end of the instructional day for after school activities. The student shall provide for his or her own transportation from school. Students in activities under the Virginia High School League must be enrolled in at least 5 classes and have passed at least 5 classes the previous semester to be eligible to participate. All records are maintained in a confidential manner and are released only with written permission from the student's parent/guardian. Individuals and/or agencies approved by state and federal law are exceptions to this regulation.

To obtain information on policies for reviewing student records, fees for copies, and obtaining a copy of the LCS written policy, etc., contact Mr. Tim Beatty, Principal. **Note:** State law allows student records to be transferred to requesting school divisions without written notice to parents.

### **Student Schedules**

All students are required to take seven classes with the exception of work experience students. Seniors on track to meet all graduation requirements by the end of their senior year may apply for a **Senior Student Course Load Waiver**.
